## Projects Involved

### Stealthcam Web

Worked in the Stealthcam Web application. It is an IoT trail camera integration project. Users can track and access their cameras in this application. This application is used for hunting seasons in the USA. I'm Working in this project as a frontend developer for both Web and App.

**Features:** ReactJS - Web, ReactNative - APP, Backend - Springboot, Database - MySql

**Technologies Used:** ReactJS - Web, ReactNative - APP, Backend - Springboot, Database - MySql

### Everest.com

Worked in whitetail.pro, built with the reactJS framework. It is a US-based e-commerce site for selling returned goods. I play a major role in this project. And manage my team for productive and quick delivery.

**Features:** ReactJS - Web, ReactNative - APP, Backend - Springboot, Database - MySql

**Technologies Used:** ReactJS - Web, Backend - Springboot, Database - MySql

### AI-VENT WMS

The AI-VENT Warehouse Management System is a comprehensive solution designed to streamline and optimize warehouse operations through cutting-edge technologies. Leveraging the power of ReactJS for the frontend and Spring Boot for the backend, this project demonstrates my proficiency in full-stack development and the ability to create robust, user-friendly applications.

**Features:** ReactJS - Web, ReactNative - APP, Backend - Springboot, Database - MySql

**Technologies Used:** ReactJS - Web, Backend - Springboot, Database - MySql

### AI-VENT - Returnable Package Management system

The AI-VENT Returnable Packaging Management System has revolutionized our approach to handling returnable packaging materials, resulting in enhanced efficiency, reduced operational costs, and improved sustainability. This project demonstrates my ability to create solutions that address complex logistical challenges while leveraging modern technologies.

**Features:** ReactJS - Web, ReactNative - APP, Backend - Springboot, Database - MySql

**Technologies Used:** ReactJS - Web, Backend - Springboot, Database - MySql

### DECLARATION

I hereby declare that the particulars furnished above are true to the best of my knowledge and belief.

**Karthikeyan J**
